- The *Pine Tree Poetry Collection 2008* book has been published and is available for sale. If you need an order form please contact Ms Durff in the library.
- In recognition of National Poetry Month this April, Pine Tree Poetry is accepting poetry submissions until May 1, 2009. The best ones will be chosen for publication in the *Pine Tree Poetry 2009 Collection*. The 2008 book is published and available in the library. Another copy will be auctioned off at the BCA Auction on February 20th. The more poems our school submits, the better our chances of winning \$ for library materials.
- Please write a poem, include your first and last name, home address (not for publication), school name, grade, and your teacher's name. If your poem is not written as a class assignment, write your homeroom teacher's name.
